

PRODUCT SPECIFICATION FILE

Toffeln AktivKlog THE CLEVERER CLOG

Product Benefits

Ergonomic footbed

Reduces strain on the muscles and helps improve your posture

Closed-In Heel

Designed to hold the heel securely, with enhanced arch support. The heel is raised to further enhance comfort.

Insole Included

Walk with even greater comfort with the specially designed insole.

Adjustable Heel Strap

Heel strap securely holds your foot while making them quick and easy to slip on and off

Anti-static System

Shock absorbing anti-static heel device specifically incorporated to meet static sensitive situation.

Side Vents

Allows your feet to breathe naturally, keeping them cool throughout the day.

Grip-Safe® Sole

This unique sole not only gives excellent slip resistance, but also offers a much greater penetration resistance than other lightweight footwear available, reducing the risk of accidents.

Shock-absorbing material

Reduces the impact and strain of every step

EN20347 Certification
